
Tales Caprivi Davis

moer & gone places dwesa in a merc gl foils a top-heavy ... - uncertainty, the scary tales of crime, state capture and endemic corruption, the options are still open. when you are gatvol, you can still jump into your 4x4 and escape to the bush. in this country - and indeed most of southern africa - the bush is never that far away. this was the sage advice from deon belsher of caprivi safari gear, late ...
